

Put Yourself in His Shoes

**What would it be like to have no memory?
To have your sight impaired or be unable to walk?
What would it be like to have dementia?**

You are invited to take a free Virtual Dementia Tour®, an interactive learning experience that helps professional and family caregivers better understand the behaviors and needs of people living with dementia.

Make a reservation now. Having virtual dementia for 15 minutes will change your perspective for a lifetime.

**Thursday, April 13, 2017
6:00 PM – 7:00 PM**
